### DU PAGE COUNTY UNINCORPORATED ADDRESS NUMBERING SYSTEM

Most buildings in the unincorporated areas and in the cities of Oakbrook Terrace and Warrenville and the villages of Wayne and Winfield are addressed using the DuPage County Unincorporated Address Numbering System.

This system has its 0,0 origin at the intersection of State and Madison streets in downtown Chicago. Addresses are referenced to the number of miles north/south or west of this intersection. Even addresses are assigned to the north and west sides of streets, odd addresses to the south and east sides of streets.

Eight hundred unique addresses can be assigned to one side of a street for each linear mile of this system.
