PROPOSED AMENDMENT TO THE 1970 ILLINOIS CONSTITUTION
EXPLANATION OF AMENDMENT
The proposed amendment would add a new section to the Bill of Rights Article of the Illinois Constitution that would guarantee workers the fundamental right to organize and to bargain collectively and to negotiate wages, hours, and working conditions, and to promote their economic welfare and safety at work. The new amendment would also prohibit from being passed any new law that interferes with, negates, or diminishes the right of employees to organize and bargain collectively over their wages, hours, and other terms and conditions of employment and workplace safety. At the general election to be held on November 8, 2022, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution.

ENMIENDA PROPUESTA A LA CONSTITUCIÓN DE ILLINOIS DE 1970
EXPLICACION DE LA ENMIENDA
La enmienda propuesta agregaría un nuevo inciso al Artículo de la Declaración de Derechos de la Constitución de Illinois que garantizaría a los trabajadores el derecho fundamental de organizarse y celebrar convenios colectivos, negociar salarios, horas y condiciones de trabajo, así como promover su bienestar económico y seguridad laboral. La nueva enmienda también prohibiría la aprobación de cualquier nueva ley que interfiera, niegue o menoscabe el derecho de los empleados a organizarse y negociar colectivamente sus salarios, horas y otros términos y condiciones de empleo y seguridad laboral. En las Elecciones Generales que se celebrarán el 8 de noviembre de 2022, se le hará un llamado para que decida si la enmienda propuesta debe formar parte de la Constitución de Illinois.

This has been advertised as the "Worker's Rights Amendment." It is important to know that Federal Labor Law overrides state laws so this amendment will mostly apply to Public Sector Unions. It will also invalidate 300 existing labor laws around the state.

This is a Binding Referendum

While we all want to support those who are struggling, this new Board will not improve access to mental health services.

It will create a new government bureaucracy that will spend most of the tax levy on itself.

The Mental Health Board (1) will have seven (7) members appointed by the Township Supervisor who have the power to:

1. Construct a brand new building
2. Hire people to work for them and set their salary (administrator, staff).
3. **Borrow Money** (by issuing bonds)
4. Form a non-profit corporation to contract with doctors & psychiatrists. This will compete with existing non-profits instead of supporting them.
5. Hire legal counsel to help with malpractice suits resulting from #1 - #4.

The requested tax levy of 0.15% is double what the Township currently levies. How much of that money will actually go to treating patients after they are done building and staffing a new facility? (Supervisor Hewitt is already taking to architects.)

DuPage County currently provides terrific mental health services that are paid for by your taxes. Lisle Township commissioned a study two years ago that recommended against creating a Mental Health Board because there are not enough service providers in this area: This board would poach from existing programs, not help them.
